

Friends of Light Street Park Objects of the Incorporated Association

16 June 2023

The primary object of the Friends of Light Street Park Incorporated Association is to contribute to the rejuvenation, enhancement, and ongoing upkeep of the Light Street Park at Light Street, Griffith as an important community place to support an active, engaged and inclusive community.

Ancillary to and in support of this primary object the Association will -

1. Engage in design, horticultural, conservation, and maintenance activities in the Light Street Park;
 2. Consult and liaise with the Urban Parks and Places section of Transport Canberra & City Services in relation to its activities, and seek support and funding for those activities; and
 3. Engage with the community in the Light Street precinct to consult on, garner support for, and secure resources for the activities of the Association.
